**Staff comments:** George Lueck

The Safe Routes to School plan identified Brookhaven Elementary and Rancier Middle Schools as high priority projects to develop and enhance sidewalk connectivity. In order to provide connectivity for all of the children who were potentially walking and/or biking, the plan identified three (3) significant sidewalk projects. The budget for constructing all of the sidewalks was estimated to be approximately \$685,000. The City Manager submitted a letter to the Killeen Independent School District (KISD) requesting that KISD partner with the City by committing to contribute 10% of the project construction cost in the event that funds are awarded. City staff recommends that the City Council authorize the submission of a TAP application to the KTMPO supporting funding this project

*Motion was made by Councilmember Clark to approve CA-14-146. Motion was seconded by Councilmember Rivera. Motion carried unanimously.*

**Adjournment**

With no further business, upon motion being made by Councilmember Clark, seconded by Councilmember Segarra, and unanimously approved, the meeting was adjourned at 5:30 p.m.
